

Radiologist

Regional Medical Imaging, (RMI) is the leading Private Radiology Practice in the mid-Michigan area and we are seeking a Board Certified Radiologist with a Fellowship in: Cross-Sectional and/or Woman's Imaging to join a family-oriented, well-established growing imaging organization. The practice is the leading independent radiology program in the region.

Position Highlights

- Very attractive and market competitive compensation plan
- No Nights, No Weekends, No On-Call Schedules
- Flexible work schedule including full-time or part-time opportunities

Benefits Include

- Vacation and CME Allowances
- Professional Liability
- Health & Dental Insurance
- 401K Plan

Practice Highlights

Full range of imaging modalities including CT, PET/CT, MRI, and Nuclear. We have the latest in PACS/RIS systems that allow our Radiologists to read from remote locations, including the home. RMI is home to one of the nation's leading Breast MRI programs and our newest addition of Breast-Specific Gamma Imaging (BSGI) is one of only two in the state of Michigan.

Community Highlights

The area includes award winning schools, lakes, year-round outdoor recreation, some of the nation's best golf courses, great entertainment and the world's best collegiate and professional sports only a short drive away.

The surrounding residential communities are varied and offer rural, small-town and urban settings, all with great outdoor entertainment and sports recreation!
